

August 25, 2009

Hi All,

Hope everyone is enjoying the hot summer. There are several items I want to share in this newsletter, some important dates to remember. First date this weekend is our outing up to the Caladium Festival in Lake Placid. I believe that we will be getting a pretty good turnout for this event.

The September meeting is important as our October 3rd car show at Maroone Ford is fast approaching. We will be doing the basket raffle at the show and would like any of you that would like to donate items to please bring them to the meeting with you. Marcia would also like to do a large booze basket so any donations of bottles of wines, liquors or mixers will be appreciated.

September 30th we will be having our last meeting for the show at 7:30. This is an extra meeting so be sure and mark it in your calendars and plan on attending. We want this show to be a huge success and will need everyone to help out.

September 12th is the 9/11 run to the Keys. The route is Tower Shops to Holiday Isle with police escort. Driver registration is \$25 and passenger \$10. Last year this event was a lot of fun and I am planning on going again this year.

Annual nominations will be held at the October meeting. Anyone who would like to participate on the board is welcome. Just let someone know and we can get you nominated at the meeting. The position of president will need to be filled as I am not planning on running this year.

Kevin O'Riordan has asked me to invite you all to the boat club annual fund raiser that will be held on November 7th. The tickets are \$15 before October 31st and \$20 the day of the event.

I am including registrations forms for the Marlins car show if you are interested in that event.

[FORUM ADMINISTRATOR NOTE: Registration forms for the Marlins car show are available for download on the club website forum.]
