

Hello Ford Fans,

Well the time has come, we have grown, oh have we grown. Our next meeting will be held in the Maroone Ford Meeting Room. This room is 10x the size of the Deli and will be able to handle all of our new members and our old. This room is located on the North side of the Dealer ship property. It is a Self Standing building and the meeting room has its own entrance in the Back of the Building. Very Dark alley like.....Just Kidding.

There will be signs to direct you just in case and parking is plentiful over by the meeting room.

Down to business, for those of you who suffered through the whipping wind and cold am temperatures Maroone Ford and the Catching for Kids Foundation thank you. Although a small turn out we still raised \$1,400 for charity and showed great support. The next Catching for Kids Show will be after Baseball season probably the 2nd weekend in December. More info to follow.

A few things in the works right now include dates and details for the next Mustang Club show and also organizing our Scavenger Hunt. We will be inviting some other clubs to join us in helping organize the Scavenger Hunt, This way we will all be able to enjoy as well as compete in the Hunt.

If you haven't paid your membership dues please don't forget to bring a check or just log on to our Website Flmustangclub.com and pay online.

Thank you,

Scott Kaplan
Club President
& Service Manager
