

Greetings to All!

January 22, 2010

Wow what a turn out last meeting, Thank you everyone for showing up and giving us new ideas. We had such a turn out that we might be upgrading to a larger meeting room at the Dealership. Things that were brought up were to put a committee together to organize a scavenger hunt. This committee will be working the details for mapping locations and organizing local vendors and shops to be destination points. We still have room for volunteers so please call me 954-390-6534 or email me KaplanS@autonation.com if you're interested in joining. We will be selecting the date of our next car show at the next meeting so make sure you're there to learn about the details, this show is going to be big. Also please note that as a last minute show Maroone Ford is Sponsoring a Car Show on Feb. 13th (Saturday). Please find the attached flyer and we hope to see you all there.

For those of you who attended the Silver springs show, please send us your pictures. We would love to post them on the web site. I hear there was even some snow on the hoods?

As a closer please start talking to any friends who might own or manage a business, we are looking for some new sponsors for our next show. We will take any type of donation from gift certificates to food. Give away prizes are great for the raffles. In exchange the donations are tax deductible as the money goes to charity plus we will offer Banner space and flyers in every goody bag. Our show reaches an estimated 300 plus people, plus for large donations we can even advertise their support on the Flyer and posters.

Thank you,

Scott Kaplan

To all of my friends at the Ft. Lauderdale Mustang Club go my most sincere thanks for the beautiful flowers and most of all your heartfelt wishes for my recovery. Most invigorating were your phone calls and visits to the hospital. Thank you for your support and I wish one and all a Happy New Year. Hope to see you soon. Barbara Gauch
