

October 8, 2009

Hi everyone,

Well the car show is now behind us and I would like to thank everyone that helped out on Saturday for their hard work. It was a great team effort. The show was a real nice event; we had 100 cars registered, there was a bounce house and face painting for the kids. The Broward sheriff department brought out the swat team in full gear and the crime scene mobile unit. We had a helicopter taking aerial photos of the show. This should be great for advertising our future shows.

Special thanks to Scott, Jim and the Maroone dealership for their efforts in pulling together these activities that made this a fun day for everyone.

I have been president of the club for the last three years and prior to that treasurer. I thank you all for the support that you have given me. I also thank you all for the friendship and good times.

Our new slate of officers for the coming year are: Scott Kaplan, President, Shirley Lyons, Secretary and Marcia Stringert, Treasurer. We do still need to name a vice president.

The executive board will be: George Toth, Mark Patterson, Derrick Boroday, Stacey Jovi, Herb Gauch and I. I am glad to see some of the newer members willing to get involved and bring new ideas to the table.

The only thing left is to wish you all a Happy Halloween!

ROB
