

COME ONE COME ALL DON'T MISS OUT ON THIS GREAT OPPORTUNITY !!

That is right. Wednesday evening September 30th will be the last opportunity to come out and support your club and be a part of the final planning for the October 3rd show at Maroone Ford.

We have tried to make this our biggest show at Maroone and we are going to need the help and support of all of our club members. We need everyone to plan on arriving at Maroone by 8:00 am on Saturday the 3rd. And it sure would be great to see you at the meeting on the 30th to help with any of the last minute details.

The 9/11 run to the Keys was a great success. This year there were 134 Mustangs with police escort from Tower Shops to Homestead. All of the agencies that helped with this event did a great job and the cruise went without incident.

The Kaplan's, Latimer's and Kresge's joined in the fun and we all felt that it was even better than last year. Charlie, Joyce, Lerryn and I took a room at the Islander and returned home on Sunday. We had to get our "Keys Fix". As always we hung at the Lorelei and enjoyed the balmy evening air, sunset and great music. Sunday morning off to the bakery for Bob's bunz. More of you should consider this event. It is well worth it and a great time to get together with fellow Mustang lovers.
